

MAIA NZ Women's Network

Become part of the network for NZ women working in New Zealand and across Asia...

'Māia NZ Women's Network Asia', is an initiative to connect and strengthen the network of NZ women in business across New Zealand and Asia.

The Māori meaning of Māia, is to be brave, bold, capable and confident. The perfect name for a network for women to give and receive support through leadership, career development, diversity and inclusion.

With the support of the NZ Chamber Singapore and the NZ ASEAN Business Alliance, we're bringing together professional like-minded women operating in New Zealand and across Asia. Be the first to be invited to our first Māia event in May for 2019.

How do I join?

Join as a member of NZ ASEAN Business Council to become an active member of the MĀIA Asia-wide network.

If you are an existing member of NZ ASEAN Business Council, you can subscribe to the special interest mailing list. **To subscribe**, login with your username and password and select the Maia Network subscription option (no extra fee)

If you are new to NZ ASEAN Business Council, become an active member, see options [Membership Options](#).
